Agreement Signed with Canadian Distributor

Fytokem Products Inc. is pleased to announce that it has signed an agreement with Canada Colors and Chemicals to distribute Fytokem's products in Canada.

Canada Colors and Chemicals is Canada's largest privately owned chemicals distributor supplying ingredient products to many market segments including pharmaceutical and cosmetic.

"We have had a large number of inquiries from within Canada with respect to our products" says John Schaw, President of Fytokem Products Inc. "and we are very pleased to sign on Canada Colors and Chemicals to start distribution of our products in this important market segment".

"We are very pleased to be working with Fytokem Products Inc. and we look forward to a long and profitable relationship" says Mel McDonough, Market Development Manager for Canada Colors and Chemicals.

Fytokem Products Inc. is a phytochemical company which develops, manufactures and markets extracts from plants of the northern Canadian prairies to the cosmetic, skin care, nutraceutical, and therapeutic industries. Fytokem markets its products through three agents in the United States, a distributor in Japan and now a distributor in Canada.
