FYTOKEM ANNOUNCES NEW BOARD MEMBER

Saskatoon, Saskatchewan, June 20, 2006 - Fytokem Products Inc. (Fytokem), a leading producer of *Function-Certified™* plant-based ingredients, today announced that Maureen Mitchell, a successful member of the Saskatoon business community, has accepted appointment to the board of directors of the Company.

Maureen Mitchell started her career in Fine Arts, with a teaching certificate in London, England. She has been Sales Director and then Senior Sales Director with Mary Kay Cosmetics. In 1986, Maureen founded the Saskatoon Make-Up Studio, which she owned until 2004. During these times she worked for CBC and CTV as a Television Make-Up Artist and had the opportunity to work with many political, TV, and entertainment personalities. She has won D.C. Magazine's 1996 Canadian Make-Up Artist of the Year (Day-Time) and has also been a Provincial Silver Medalist in the L'Oreal Total Look Competition. Her work with events such as the Kinsmen Telemiracle for the last 17 years and more recently the Lieutenant Governor's Gala have given her a strong local presence in the personal care consumer market.

"We welcome Maureen to the board. I'm glad we are able to interest such quality people. She brings a wealth of applicable experience to our Company; lending an artistic vision and a unique perception of the personal care industry. She adds style and grace to our board. We look forward to working with her," said Art Hesje, President and CEO of Fytokem.

About Fytokem Products Inc.

Fytokem Products Inc. develops and delivers proven natural ingredients to leading formulators in the personal care, nutraceutical and pharmaceutical industries. The Company has been issued patents for technology related to two of its products and has other patent applications pending.

Fytokem has two product lines currently offered in the market. Canadian Willowherb™ is a multi-function plant extract with strong efficacies as an anti-irritant, and anti-oxidant that also has application as an acne treatment. Tyrostat™ is a multi-efficacy plant extract sold primarily for its use as a tyrosinase inhibitor which provides skin-lightening efficacy.
